ÚNICA COLLECTION

by Andrés Martínez

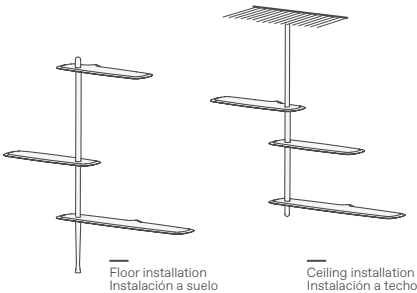

It is a modular system consisting of shelves and rods of different sizes.
The system stands thanks to a central base in which you can alternate fixed shelves to the wall with floating shelves, providing strength and flexibility to the structure at the same time.
It's a very versatile collection that allows installation in any position to the floor or to the ceiling.

Sistema modular formado por baldas y tramos de distintas longitudes.
El conjunto se sostiene gracias a un eje central en el que de forma alterna se instalan baldas fijas a la pared y baldas libres, dotando a la estructura de rigidez a la vez que dinamismo.
Colección totalmente versátil que permite instalarse en cualquier posición, tanto a suelo como a techo.
