ÚNICA COLLECTION by Andrés Martínez

It is a modular system consisting of shelves and rods of different sizes.

The system stands thanks to a central base in which you can alternate fixed shelves to the wall with floating shelves, providing strength and flexibility to the structure at the same time.

It's a very versatile collection that allows installation in any position to the floor or to the ceiling.

Nomon has an online Única shelving system configurator at the following address:

<https://nomonhome.com/configurator/model/estanteria>

Sistema modular formado por baldas y tramos de distintas longitudes.

El conjunto se sostiene gracias a un eje central en el que de forma alterna se instalan baldas fijas a la pared y baldas libres, dotando a la estructura de rigidez a la vez que dinamismo.

Colección totalmente versátil que permite instalarse en cualquier posición, tanto a suelo como a techo.

Nomon dispone de un configurador online de estanterías Única en la siguiente dirección:

<https://nomonhome.com/configurator/model/estanteria>

Fabricado en España de forma artesanal.

Manufactured in Spain following artisanal methods.

Rods & terminals: Natural solid walnut.

Shelves: Natural solid walnut, black lacquered MDF or walnut / black ash veneered.

CHARACTERISTICS CARACTERÍSTICAS

1. FLOOR AND CEILING INSTALLATION INSTALACIÓN A SUELO Y TECHO

It can be installed on the floor or suspended from the ceiling, alternating freestanding and fixed selves.

Permite la instalación desde el suelo o fijada al techo, alternando baldas fijas a pared o libres.

2. FRONT OR CORNER SHELVING ESTANTERÍA FRONTAL O DE ESQUINA

Allows installation on several positions, combining with flat angled walls.

Posibilidad de instalación en cualquier posición, ya sea en una pared plana o una esquina abierta o cerrada.

3. FREESTANDING SHELF BALDA MÓVIL

The system allows alternating fixed and freestanding shelves, which can rotate, providing additional functionality.

El sistema permite alternar baldas fijas a pared y libres que pueden girar, dotándolo de mayor funcionalidad.

ENVIRONMENT / MEDIOAMBIENTE

For Nomon, sustainability is based on designing timeless quality objects that will last as much as possible. Producing with common sense and avoiding the consumption of unnecessary resources, putting quality before quantity.

Working with local artisans and suppliers is another essential foundation in our commitment to sustainability, as it reduces our products carbon footprint and promotes the circular economy.

La sostenibilidad para Nomon se basa en diseñar objetos atemporales de calidad que perdurarán el mayor tiempo posible.

Producir con sentido común y no consumir más de lo necesario, anteponiendo la calidad a la cantidad. Otro pilar esencial en nuestro compromiso sostenible es trabajar con artesanos locales y proveedores de nuestro entorno, lo que reduce la huella de carbono y promueve la economía circular.

Nomon supports the Eco-WEEE foundation and it is registered in the Register of Electric Appliances and Electronics in compliance with the Royal Decree 208/2005.
