## ENVIRONMENT / MEDIOAMBIENTE

For Nomon, sustainability is based on designing timeless quality objects that will last as much as possible. Producing with common sense and avoiding the consumption of unnecessary resources, putting quality before quantity.

Working with local artisans and suppliers is another essential foundation in our commitment to sustainability, as it reduces our products carbon footprint and promotes the circular economy.

La sostenibilidad para Nomon se basa en diseñar objetos atemporales de calidad que perdurarán el mayor tiempo posible. Producir con sentido común y no consumir más de lo necesario, anteponiendo la calidad a la cantidad. Otro pilar esencial en nuestro compromiso sostenible es trabajar con artesanos locales y proveedores de nuestro entorno, lo que reduce la huella de carbono y promueve la economía circular.

Nomon supports the Eco-WEEE foundation and it is registered in the Register of Electric Appliances and Electronics in compliance with the Royal Decree 208/2005.
